Sorry for the confusion. Since we are over \$150k, please send me a full IGCE (not IGPE).

I was still under the assumption that we were under \$150k.

Best regards,

Hi Amit,

I sent you an increase to \$500k for this subtask which is over \$150k. Do you still only need an

IGPE for this?

Thanks!

Thanks Rob. Yes, I can imagine you are quite swamped.

For the sake of this estimate, it need not be as thorough as an IGCE (for over \$150k). Below is an example I sent to another OSC yesterday.

Policy has now established that we need an Independent Government Estimate (IGE) over anything over \$3000. Please note, this does not mean it has be as detailed as an IGCE (which is still needed for requests over \$150k).

For this request, it can be an Independent Government Price Estimate (IGPE)

So in the example of a \$50k TO info sheet for ERRS that has 4 tasks listed, for now, please provide something like the following:

“Contractor is to prepare for deployment for response to Typhoon Soudelor. Activities authorized in this subtask include but is not limited to:

- Development of cost estimate for mobilization to Saipan and collection, staging and disposal of downed electrical transformers, as well as associated soil clean-ups from transformer oil (\$10,000)
- Identification of available equipment, containers and other necessary resources to implement work described above. This will include issuance of RFP’s or other contract mechanisms as needed to provide equipment to complete work. (\$20,000)
- Planning of travel, including reserving and purchasing plane tickets, hotel rooms, rental cars, etc. (\$10,000)
- Technical Support to the EPA OSC as directed. (\$10,000)”

Hi Amit,

Attached is our Revision 2 Cost Estimate for the Gold King Mine ER. This covers additional personnel who have been requested for the site, updated equipment for the site, a change in the qty of water trucks for water delivery, costs for potential water treatment, and hay to be provided for livestock. As before, if additional tasks are assigned we will submit a new revised estimate.

Thanks,

Laurie
